

Wish you could consult with a psychiatrist on psychiatric or addiction issues when you need to?

**You can!**

**UW Psychiatrists are available 24/7 to help with the behavioral health care of your patients.**

**877-WA.PSYCH (877-927-7924)**

**The UW Psychiatry Consultation Line (PCL) helps prescribing providers in Washington who want clinical advice about their adult patients experiencing substance use and/or mental health disorders.**

University of Washington  
Department of Psychiatry & Behavioral Sciences  
1959 NE Pacific Street, Box 356560  
Seattle, WA 98195

**100%**  
of callers said they  
would recommend  
PCL to their  
colleagues

### **The Psychiatry Consultation Line:**

- Provides expert advice on behavioral health assessment, diagnosis and treatment planning, including reviews of patients with co-morbid substance use and other behavioral health disorders
- Offers on-demand service — most consults take 20 minutes
- Includes written recommendations — no need to take notes
- Is free for you and your patient
- Can connect you to child and perinatal psychiatry consultation lines (PAL and PAL for Moms)

**NO ONE SHOULD BE UNSUPPORTED IN THE BEHAVIORAL HEALTH CARE OF THEIR PATIENT**
