

Psychiatry Consultation Services for Care Providers in Washington

Our psychiatry consultation lines and ECHO programs:

- Connect you to adult, child, perinatal and addictions psychiatrists at the University of Washington and Seattle Children's Hospital
- Provide expert, timely advice on assessment, diagnosis and treatment planning
- Include written recommendations
- Are free for you and your patient

Psychiatry Consultation Line (PCL)

For all care providers with adult psychiatry and/or addictions questions

877-WA-PSYCH (877-927-7924) | pclwa@uw.edu

Prescribing providers call any time, 24/7

Non-prescribing providers call Mon-Fri, 8-5 (excluding holidays)

pcl.psychiatry.uw.edu

Partnership Access Line (PAL)

For primary care providers with child and adolescent psychiatry questions

866-599-7257 | paladmin@seattlechildrens.org

Mon-Fri, 8-5 (excluding holidays)

www.seattlechildrens.org/PAL

Perinatal Psychiatry Consultation Line (Perinatal PCL)

For providers with behavioral health questions about preconception planning, pregnancy, postpartum or perinatal loss

877-PAL4MOM (877-725-4666) | ppcl@uw.edu

Mon-Fri, 9-5 (excluding holidays)

perc.psychiatry.uw.edu/perinatal-pcl

Psychiatry & Addictions Case Conferences (UW PACC-ECHO)

For providers interested in didactic presentations and case-based learning

uwpacc@uw.edu

Thurs, 12-1:30

ictp.uw.edu/programs/uw-pacc

The Psychiatry Consultation Line (PCL), Partnership Access Line (PAL), Perinatal PCL (PAL for Moms), and Psychiatry and Addictions Case Conference (PACC) series are funded by the State of Washington.
