

UW Psychiatry Consultation Line

877-WA-PSYCH (877-927-7924)

Connecting Healthcare Providers in Washington State with UW Psychiatrists

The Psychiatry Consultation Line (PCL) provides free clinical advice regarding your adult patients with mental health or substance use disorders. Common questions include assessment, clarifying diagnosis, medication recommendations and treatment planning.

- Prescribing providers may call any time, 24/7
- Non-prescribing providers may call Mon-Fri 8 a.m. - 5 p.m.

To learn more, schedule a consult, and subscribe to our newsletter, visit **pcl.psychiatry.uw.edu** or give us a call: **877-927-7924**.
