It's Like Having a Psychiatrist on Your Team!

UW psychiatrists, including addiction specialists, are available to consult with you about your adult patients with mental health and/or substance use conditions. Get advice on medications, diagnostic clarification, and treatment planning. The PCL is state-funded and free to providers and patients.

- Prescribing providers may call any time 24/7
- Non-prescribing providers may call Mon-Fri, 8 am - 5 pm (except holidays)
- Schedule ahead on our website
- A written summary of the consultation is provided, usually within one business day
